

## Counselling - Level 2 and Level 3

Adaptations can be applied to assessments taking place in the 2021-22 academic year. The areas mentioned below are eligible for specific adaptations, but the rest of the qualification must be completed as normal and evidenced in full.

### The following qualifications include adapted assessment:

AIM Qualifications Level 2 Award in Introduction to Counselling Skills (live)	603/3984/6
AIM Qualifications Level 2 Certificate in Counselling Skills (live)	603/3985/8
AIM Qualifications Level 3 Certificate in Counselling (live)	603/3986/X
AIM Qualifications Level 2 Certificate in Counselling Skills (expiring)	601/3284/X
AIM Qualifications Level 3 Certificate in Counselling (expiring)	601/3286/3

### Summary of adaptations

These suites of qualifications require an element of evidencing practical skills through role play. The specific adaptation allows learners to evidence this via remote observations.

All other assessments in these qualifications remain unchanged. [Further information relating to the assessments can be found in the qualification handbook and on the external assessment schedule page of the AIM website.](#)
