## Qualification Overview

### Introduction

Welcome to the AIM Qualification Handbook. We want to make your experience of working with AIM as pleasant as possible.

AIM is a national Awarding Organisation, offering a large number of Ofqual regulated qualifications at different levels and in a wide range of subject areas. Our qualifications are flexible enough to be delivered in a range of settings, from small providers to large colleges and in the workplace both nationally and internationally.

We are licensed by the Quality Assurance Agency (QAA) to approve and certificate Access to Higher Education Diplomas.

We are also approved as an Apprenticeship Assessment Organisation (AAO)

This Qualification Handbook contains everything you need to know about this qualification/qualification suite and should be used by everyone involved with planning, delivery and assessment.

This is a live document and as such will be updated when required. Centres will be informed via email when changes are made and it is the responsibility of the approved centre to ensure the most up-to-date version of the Qualification Handbook is in use.

This document is copyright but may be copied by approved centres for the purpose of assessing learners. It may also be copied by learners for their own use.

This Qualification Handbook is mapped to the Ofqual General Conditions of Recognition with references cited for each section as appropriate and the whole document is mapped to Ofqual General Conditions of Recognition C2.5 and E3.2.

## About the Qualification

Mapped to Ofqual General Conditions of Recognition: E3.2a/E3.3b

The AIM Qualifications Suite of Community Arts Qualifications is part of a suite of qualifications for learners who work in, or want to work in a support capacity and/or in management within any community arts context, such as, art, dancing or music and is included within relevant Apprenticeship frameworks issued by Creative and Cultural Skills.

This suite of qualifications gives learners the opportunity to demonstrate competence in related job roles within community arts and to develop general skills and knowledge required in all aspects of supporting and managing community arts.

Learners may progress onto qualifications within this suite, into employment in community arts management or into further learning, for example a foundation degree in arts management.
