

Qualification Update – February 2018

Suite of Forest School Qualifications

The three new Forest School qualifications replace the existing ones we have following a review from the Forest School Association. The existing qualifications have an end date 31/10/2018. The website reflects these changes and the new qualification handbook is available on the website.

- [AIM Awards Level 1 Award in Forest School Ethos and Principles](#)
- [AIM Awards Level 2 Award for Forest School Assistants](#)
- [AIM Awards Level 3 Certificate for Forest School Leaders](#)

Pre-Access

The suite of Pre-Access has been updated. The updates consisted of two new suites being added (Humanities and Social Science) and Awards and Extended Certificates have been developed for each pathway. The website has been updated please click [here](#). Also note the existing the qualification titles have been amended to remove 'Skills for' e.g.

AIM Awards Level 2 Certificate in Skills for Applied Science and Engineering
--

AIM Awards Level 2 Certificate in Applied Science and Engineering

Creative Industries

Our suite of Skills for the Creative Industries qualifications has a review date of 31/07/2018. We will only accept qualification applications if you are already approved to offer our Suite of Creative Industries qualifications. Please see our [Suite of Skills for the Creative and Design Industries \(AIMVOCs\)](#) for an alternative qualification.

Skills for Employment and Further Learning (SEFL)

The SEFL qualifications are due to expire on 30/11/2018 – but please note funding for these qualifications is due to be withdrawn at the end of July.

Please contact one of our Business Development Managers or Customer Support Officers on the details below if you have any queries.
