Qualification Overview

Title:	Open College Network West Midlands Level 3 Award Introduction to Dog Grooming
Qualification Number:	610/0864/3
Level:	3
Credit Value:	5 credits
Guided Learning Hours:	33 hours
Total Qualification Time:	47 hours
Minimum Age:	16
National Subject Sector:	3.3 Animal Care and Veterinary Science
Summary:	This qualification is made up of theoretical and practical units related to canine health and wellbeing and maintaining dogs' coats.
About:	A short introductory qualification for learners to decide if they would like to pursue this area of study further. The qualification provides a basic introduction to dog grooming as either an owner, animal care profession or hobbyist.
Objectives:	This qualification has been designed for learners who wish to learn the maintenance of several types of dog breeds and understand health and safety in a dog grooming salon.
Why Choose:	On successful completion of the Level 3 Award Introduction to Dog Grooming, learners may progress onto the Level 3 Certificate in Dog Grooming or the Level 3 Diploma in Dog Grooming.
Entry requirements:	Learners should be aged 16 or above, be working at level 2 and be comfortable around dogs of all sizes, breeds and temperaments.
Assessment method(s):	Portfolio of evidence, including evidence of practical work.

How is the qualification assessed?

The assessment process is as follows:

Internal Assessment by Portfolio of Evidence

Where the assessment method for the qualification is by internally set assessments (Portfolio of Evidence), then centres are free to devise their own assessments for the qualification/unit.

- All assessments should be designed in such a way as to minimise the requirement for Reasonable Adjustments to be made.
- Centre devised assessments must allow learners to meet all of the requirements of the assessment criteria for each unit. Assessments must not require learners to produce evidence above and beyond that stipulated in the Assessment Criteria.
- Centres must then have these assessments approved by their IQA.

When devising assessments, centres may choose from a range of assessment methods but where assessment guidance is provided within a unit this must be adhered to unless otherwise agreed with the External Quality Assurer (EQA).

Assessment methods must be valid, fair, reliable and safe leading to authentic, sufficient and current evidence produced by the candidate.

Holistic assessment is good practice wherever possible and permitted by the assessment strategy for the qualification if this exists.

Further guidance on assessment can be found in the [Centre Handbook](#) and the [Assessment Methods](#) publication. These provide guidance on the range of assessment methods available and the types of evidence appropriate for each.

Other guidance and sample documentation is available to recognised centres covering: planning assessment; recording achievement; planning, carrying out and documenting IQA.

Reasonable Adjustment and Special Considerations

Reasonable adjustments and Special Considerations are available for all assessments, irrespective of whether they are internally or externally set.

Where a learner or group of learners may not be able to access the assessment without Reasonable Adjustments, centres should ensure that they apply in good time for relevant reasonable adjustments to be made, using the Open College Network West Midlands [Reasonable Adjustments and Special Considerations Policy](#) which gives clear guidance on the reasonable adjustments and arrangements that can be made to take account of disability or learning difficulty without compromising the achievement of the assessment criteria.

Standardisation

Standardisation is a process that promotes consistency in the understanding and application of assessment practice. Full details on Open College Network West Midlands standardisation practices can be found in our [Centre Handbook](#).

Outcomes from standardisation events will be disseminated to Centres by Open College Network West Midlands.

Qualification size

About the RQF

The Regulated Qualifications Framework (RQF) provides a single, simple system for cataloguing all qualifications regulated by Ofqual. Qualifications are indexed by their level and size.

Levels indicate the difficulty and complexity of the knowledge and skills associated with any qualification. There are eight levels supported by three “entry levels”.

Size refers to the estimated total amount of time it could typically take to study and be assessed for a qualification. Size is expressed in term of Total Qualification Time (TQT). The part of the TQT spent being taught or supervised is known as Guided Learning Hours (GLH).

Guided Learning Hours (GLH)

GLH are defined as the time a learner spends being taught or instructed by – or otherwise participating in education or training under the immediate guidance or supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training. This includes guidance or supervision time:

- a) With the simultaneous physical presence of the learner and that person, or
- b) Remotely by means of simultaneous electronic communication.

It does not include the number of hours a learner spends in preparation, study or any other form of participation in education or training, including assessment, which takes place as directed by – but not under the immediate guidance or supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training.

Total Qualification Time (TQT)

TQT is comprised of the following two elements:

- a) The number of hours which an awarding organisation has assigned to a qualification for Guided Learning, and
- b) An estimate of the number of hours a learner will reasonably be likely to spend in preparation, study or other form of participation in education or training, including assessment, which takes place as directed by – but unlike Guided Learning, not under the immediate guidance or supervision of – a lecturer, supervisor, tutor or other appropriate provider of education or training.

Rules of Combination and level for this qualification

To achieve the Open College Network West Midlands Level 3 Award Introduction to Dog Grooming, learners must achieve the 5 credits from the Mandatory Units. There are no Optional Units in this qualification.
